Hi Jim - FYI, Rick Parkin and I noted that the first letter in the petition response package was a letter to the attorney who helped them develop the document. It is slightly different from the others.

Here are four letters that might be of possible use, and I will provide you with the list of the 31 tribes and the state and federal agencies that you will probably need to go along with after I get out of my next meeting.

2/7/11 letter to 31 tribes when EPA made announcement
3/15/11 letter to 31 tribes inviting consultation and requesting information
2/7/11 letter sent to 5 state and federal agencies when EPA made announcement
3/15/11 letter to 8 state and federal agencies requesting information

Let me know if you need any other letters, such as the one we sent to them on 2-7 when the announcement was made. - Judy

Jim:

I'm cc'ing Judy Smith and Phil North on this.

I assume Denise is looking for letters that EPA sent specifically to the 9 Tribes that have petitioned EPA to do the 404(c).

Michael -- Coming to you because Palmer is on the road. Denise Keehner just asked for a copy of the letter that Region 10 has sent out to those who petitioned for a 404(c) action on Bristol Bay. I can't find a copy of that in my files. Can you forward a copy of one of the letters?
